

CCSD Student Attire

Clark County School District Regulation 5131, Dress and Appearance, indicates that principals may establish a policy that requires students to wear Standard Student Attire for the purpose of increasing student achievement, promoting safety, and enhancing a positive school climate.

Each school that chooses to participate will determine its involvement, appropriate attire, programs for financial assistance, and work with members of the school community to ensure student/parent/staff input and involvement throughout the decision-making process. The principal and the site-based committee shall determine Standard Student Attire requirements from the approved list, outlined in CCSD Regulation 5131.

Stricter Standard Student Attire requirements than those delineated in CCSD Regulation 5131 (IV), Basic Dress Code, may be implemented through the survey process set forth in the regulation. Schools implementing mandatory Standard Student Attire will survey their community every fourth year.
